CREATIVE DIRECTOR / BRAND, SOCIAL & DIGITAL CONTENT \*

REMOTE · U.S. CITIZEN · EN/ES

Creative designer and studio founder with **6+ years** of brand and campaign work, including design for **500+ churches and non-profits** across the U.S. I run identity, web, social, and print end to end, from concept through final delivery, and I move fast without losing the craft. Looking for a remote creative role where typography and visual storytelling actually matter.

### FOUNDER & CREATIVE DIRECTOR

WAVE CREATIVE HOUSE / REMOTE

- Founded and run a remote creative studio delivering brand identity, web design, and marketing design for small brands and businesses.
- Design and build **marketing websites** end to end, including Assunta, a heritage Italian food brand, Little Pilot, a marketing agency, and a seasonal holiday campaign site.
- Own each project from discovery and concept through art direction, design, build, and handoff, including scope, timeline, and the client relationship.
- Build complete identity systems covering logo, type, color, and brand guidelines, plus the social and print assets that run on them.
- Built the studio's own brand, website, and operating system from zero with a business partner.

### CREATIVE DESIGNER

CHURCH MEDIA SQUAD

- Delivered **1,000+ design assets** for a client base of **500+ churches and non-profits** nationwide, covering brand, print, merch, and social.
- Built cohesive visual systems for fundraising campaigns, youth events, and seasonal series, turning mission-driven messaging into work people actually engage with.
- Partnered directly with leadership and marketing teams to shape brand voice and campaign strategy from concept through delivery.
- Held consistent quality across a high-volume subscription workflow with tight, recurring turnaround windows.

2021 ●

### GRAPHIC DESIGNER

VIVE MEDIA

- Created social graphics, thumbnails, and marketing assets for digital campaigns and live events.
- Produced on-brand visuals on fast turnaround across multiple concurrent campaigns.
